1. **Employment of Contractor**. City hereby engages Contractor, and Contractor hereby agrees, to perform all services necessary or desirable to remove trip hazards from sidewalks within City (as designated by City in writing from time to time), up to the maximum contract amount as set forth in paragraph 3 below.

2. **Detailed Description of the Services**. In furtherance of this Agreement, Contractor shall do, perform, and carry out in a good, professional manner, the following services (the "*Services*"):

(a) *Elimination of Trip Hazards*. Contractor shall eliminate all trip hazards (up to a maximum height of 2") by saw cutting all such trip hazards in accordance with the Americans with Disabilities Act requirements. Each offset will be tapered at a 1:8 slope and shall have a smooth uniform appearance and texture.

(b) *Saw Cut*. All saw cutting shall be taken to the zero point of differential settlement and to the edges of the sidewalk to eliminate trip hazards the full width of the sidewalk.

(c) *Cleaning*. All debris and concrete dust shall be cleaned from the sidewalk surface as well as surrounding areas, sidewalks, driveway, landscaping or other objects in vicinity of the work. Any damage to adjacent landscaping, sprinklers, grass, etc. shall be repaired and otherwise returned to as good of condition as existed prior to such work.

3. **Fees for Services**. City shall pay Contractor for Services actually performed as described on the attached exhibit; provided, however, that the maximum amount to be paid to Contractor for all Services performed under this Agreement shall not exceed $75,000.

4. **Method of Payment**. Contractor shall submit monthly to City a detailed invoice setting forth the Services performed since the last monthly billing, and specifying the charges therefor computed as specified on the attached exhibit. Provided that the aggregate amount of all previous invoices and the current invoice does not exceed the total maximum compensation specified in section 3 hereof, City shall pay (or provide a reasoned objection to) the amount set forth in the current invoice within 30 days after receipt.

5. **Services Performed in a Professional, Reasonable Manner**. Contractor shall perform the Services in a professional, reasonable, responsive manner in compliance with all laws and applicable standards of performance. Subject to the foregoing, the exact nature of how the Services are to be performed and other matters incidental to providing the Services shall remain with Contractor.

6. **Personnel, Equipment and Facilities**. Except as otherwise specified in this Agreement, Contractor shall at its sole cost furnish all supervision, personnel, labor, equipment, materials, supplies, communication facilities, vehicles for transportation and identification cards, and shall obtain all licenses and permits, necessary or incidental to performing any and all of the Services. Contractor shall not use City staff as a means to perform the Services in lieu of using Contractor's own staff.

7. **Term**. This Agreement shall be effective on the date hereof and shall terminate at 11:59:59 p.m. on 30 June 2015.

8. **Assignment and Delegation**. Contractor shall not assign or delegate the performance of its duties under this Agreement without City's prior written consent.

9. **Independent Contractor Status.** Contractor shall perform the Services as an independent contractor, and all persons employed by Contractor in connection herewith shall be employees or independent contractors of Contractor and not employees of City in any respect.

(a) *Control*. Contractor shall have complete control and discretion over all personnel providing Services hereunder.

(b) *Salary and Wages*. City shall not have any obligation or liability for the payment of any salaries, wages or other compensation to personnel providing Services hereunder.

10. **Termination**. Either party may terminate this Agreement upon 30 days' prior written notice to the other party. Neither party shall have any liability to the other for damages nor other losses because of termination of this Agreement, provided; however, City shall pay Contractor all amounts due for actual work performed within the scope of Services, as specified herein.

11. **Indemnification**. Contractor shall defend, indemnify, save and hold harmless City (including, without limitation, its elected and appointed officers, employees, successors and assigns) from and against any and all demands, liabilities, claims, damages, actions and/or proceedings, in law or equity (including reasonable attorneys' fees and cost of suit), relating to or arising in any way from the Services provided, or to be provided, hereunder. Contractor shall so defend, indemnify, save and hold harmless City whether such demands, liabilities, claims, damages, actions and/or proceedings are attributable to the simple negligence, gross negligence, recklessness or intentional misconduct of Contractor (or any officers, employees, agents, subcontractors, etc. of Contractor), or under any other applicable legal theory, and shall be effective whether or not such negligence, recklessness or other misconduct reasonably was foreseeable. Nothing herein shall, however, require Contractor to indemnify as provided in this section with respect to (a) City's own negligence or intentional misconduct, or (b) any demand, liability, claim, damage, action and/or proceeding not alleged to relate to the Services provided, or to be provided, by Contractor hereunder.

12. **Insurance**. Without limiting any indemnity or other obligations of Contractor hereunder, Contractor shall, prior to commencing work hereunder, secure and continuously thereafter (throughout the term of this Agreement) carry with insurers the following insurance coverage in policies which include provisions or endorsements naming City and its designees as an additional insured, and shall furnish proof thereof satisfactory to City prior to commencement of performance of the Services hereunder, and thereafter promptly when requested:

(b) *Business automobile liability insurance* coverage with a minimum single limit of $1,000,000.00 for bodily injury and property damage with respect to Contractor's vehicles whether owned, hired or non-owned, assigned to or used in the performance of the Services. Contractor may elect to not provide this coverage if no Contractor-owned or hired automobiles are used in performance of the Services, provided, however, that Contractor shall defend, indemnify and hold City harmless from any and all claims, damages, actions, proceedings, fees (including attorneys fees) and costs incurred by City arising from or in any way related to use of any automobile by Contractor or any of its employees, subcontractors or other related parties in performance of the Services.

(c) *Workers' compensation insurance* coverage as required by applicable workers' compensation and employer's liability statutes.

The foregoing insurance policies shall be through reputable, licensed insurers reasonably acceptable to City, and specifically shall provide that such insurance may not be terminated or reduced without at least 30 days' prior written notice to City.

13. **Laws and Regulations.** Contractor shall at all times comply with all applicable laws, statutes, rules, regulations, and ordinances, including without limitation, those governing wages, hours, desegregation, employment discrimination, workers' compensation, employer's liability and safety. 15. **Non-Exclusive Rights**. Nothing in the Agreement is to be construed as granting to Contractor any exclusive right to perform any or all Services (or similar services) now or hereafter required by City.

16. **Conflict Resolution.** Except as otherwise provided for herein, any dispute between the parties regarding the Services which is not disposed of by agreement shall be decided by City, which shall provide written notice of the decision to Contractor. Such decision by City shall be final unless Contractor, within 30 calendar days after such notice of City's decision, provides to City a written notice of protest, stating clearly and in detail the basis thereof. Contractor shall continue its performance of this Agreement during such resolution. If the parties do not thereafter agree to a mutually-acceptable resolution, then they shall resolve the dispute pursuant to section 17 below.

17. **Claims and Disputes.** Unresolved claims, disputes and other issues between the parties arising out of or related to this Agreement shall be decided by litigation in the Third Judicial District Court of Salt Lake County, Utah. Unless otherwise terminated pursuant to the provisions hereof or otherwise agreed in writing, Contractor shall continue to perform the Services during any such litigation proceedings and City shall continue to make undisputed payments to Contractor in accordance with the terms of this Agreement.

Exhibit to
Independent Contractor Agreement

Contractor shall be paid for Services performed on the basis of $28.25 per inch-foot of trip-hazard removal performed.

Inch-feet shall be calculated by multiplying the average depth of the cut by the width of the cut. For example, if a joint is cut 1" on one side and tapered to 0" on the other side of a full 4-foot wide sidewalk, the number of inch-feet would be calculated as follows:

$$\frac{1" + 0"}{2} \times 4' = 2 \text{ inch-feet}$$

2 inch-feet x $28.25/inch-foot = $56.50

All invoices must show the address of the work; the depth, length and width of the cut; the inch-feet calculation; and the resulting charge.

Contractor's process for removal of trip hazards to the specifications in this Agreement are protected by the following patents. Contractor is a sole-source provider for the Services.
