

Cottonwood Heights

Weekly Update for
Oct. 29-Nov. 4, 2017

City Manager

Public Relations

1. Created and posted video for the Light the Night event (seen here: <https://youtu.be/aec8saHUUe4>)
2. Worked with Arts Council to revamp/fix/augment arts pages on city website
3. Compiling/writing/planning content for December newsletter

Police

1. The Salt Lake District Attorney held a press conference to confirm that the officer involved Use of Deadly Force was justified. The officer was taken off paid administrative leave several weeks ago when the preliminary information indicated that this was the case.

Administrative Services

1. Ann has been juggling a drastic increase of building rentals for the holidays. Our Room Monitors have been incredibly helpful with the influx of parties and gatherings at city hall.
2. Preparations for Light The Night and decorating city hall for the holiday season is underway.

Community Development

1. The CHBA sponsored a Trunk-or-Treat on Halloween. Lots of fun was had. (pictures attached)
2. Planning Commission was on November 1st. Addressed ZTA-17-002, SUB-17-004 and ZTA-17-006

Engineering

1. Cottonwood Heights has submitted Letters of Intent for the 2018 Transportation Improvement Program (TIP). The TIP program includes the Surface Transportation Program, the Congestion Migration/Air Quality Program, and the Transportation Alternatives Program (TAP). Our 2018 projects include:
 - a. 2700 East Sidewalk Project @ Butler Middle School - (Safe Routes to Schools -TAP)
 - b. Highland Drive Operations Project - I-215 to Bengal Boulevard (STP)
 - c. Big Cottonwood Canyon Park and Ride Expansion - (CMAQ)
2. We are putting together the plans for Phase 1 of the Wasatch Boulevard Storm Drain Project. Phase 1 will replace the storm drain pipe in front of Canyon Centre and will also clean out the remaining pipe east of the development up to the Ferguson Canyon Outfall.
